To,

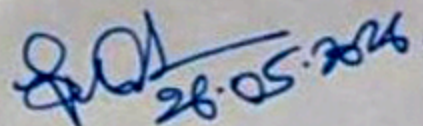

Electrohomoepathic Research and Development Organisation of India Dr. Ajit Singh, 528/6, Sainik Vihar, Dhiwan Road, Rama Mandi, Jalandhar Cantt. – 144023 Mob: 9417712064 (Ref. No.: Letter dated 16.03.2026)

Subject: Status regarding recognition of Electrohomoeopathy.

Sir/Madam,

Please refer to your letter received in this Department regarding grant of recognition to Electrohomoeopathy as a system of medicine. In this regard, it may be noted that Electrohomoeopathy / Electropathy is not a system of medicine recognized by the Government of India. Therefore, any diploma/degree holders in these systems can neither get registered for any practice nor call themselves as doctors. However, the issues related to recognition of Electropathy as a system of medicine are under examination by an Inter-Departmental Committee (IDC), which was constituted by the Government for examining proposals for recognition of any new system of medicine. The final decision in the matter would be informed to all the stakeholders at appropriate time.

Yours faithfully,

26.05.2026

(Sanjeev Singh)

Under Secretary to the Government of India
